EVENT INFORMATION

Organizer of the training on the topic **“Innovative Educational Technologies: European Experience and Its Application in Training in Economics and Management” (Ostrowiec Świętokrzyski, Poland)** is Wyższa Szkoła Biznesu i Przedsiębiorczości with the assistance of the Black Sea Institute of Economy and Innovation (Ukraine). The training is conducting **without discontinuing work** in accordance with the university certificate in postgraduate education and distant education. **Training programme** includes: familiarization with the history of the University development via the official information portal; familiarization with the variety of major specialties in the field of economics and management, as well as educational materials; preparation of theses of

scientific methodological report on the chosen problem (work profile of applicant); receiving collection of scientific reports and International Training Certificate with the signature of the training program supervisor.

Study load of the training without discontinuing work is 5 credits (150 hours) and is being distributed as follows:

- virtual tour via the official information portal of the University – 10 hours;
- familiarization with the variety of specialties in the field of economics and management, distance working system of the University – 60 hours;
- preparation of theses of a scientific methodological report on the chosen problem (work profile of applicant) – 40 hours;
- individual work – 40 hours.

ATTENTION: if the training programme is not fulfilled, the certificate is not issued. Moreover, **workers with another field-specific education** (non-economic) are recommended to receive a separate certificate of confirmation of training theme's conformity with the work profile of applicant. The certificate of confirmation is issued by the Black Sea Institute of Economy and Innovation appended with a copy of agreement between the Institute and Wyższa Szkoła Biznesu i Przedsiębiorczości (Ostrowiec Świętokrzyski, Poland). The confirmation certificate cost is charged extra (**100 hryvnias**).

Training Certificate is the document that confirms an international experience of a candidate for the degree of Associate Professor and Professor in accordance with a new Procedure for Awarding Scientific Degrees in Ukraine, and also is taking into consideration in licensing and accreditation of educational services.

Contact representative in Ukraine (according to the signed agreement on international cooperation):

Tatiana Shumilova, Research Fellow of the Black Sea Research Institute of Economy and Innovation.
